Your Stop for Model Railroad Backdrops

How To Order

1. Choose your Scene
2. Choose your Size (If the size you need is not listed, note any standard size the use the [Size Calculator](#) to determine the new height and length. Adjusting the height changes the length, the calculator will give you this new length.)
3. Choose you paper type (see the [About the Backdrops](#) tab at bottom of home page for paper info.)
4. Open [Price Calculator](#) to see your price (final price includes \$12.00 domestic shipping via UPS Ground in USA. International buyers email me for total with shipping.)
5. If you are happy with the size as stated use the [Click Here to Order Tab for Order Form](#) (This is under each backdrop image. If you need Custom Sizing for the backdrop, or have a custom blending job, use the [Click Here for Custom Order](#) tab.)
6. Submit your form (I will receive your form via email. If you elect to pay with PayPal, I will email a PayPal Invoice. For credit cards just give me a call to settle up or tell me when you would like a call.)

If you have any questions please email me or give me a call.
